- June 13: Discussion of Chapters Six, Seven and Eight.
- June 27: Discussion of Chapters Nine, Ten and Eleven.
- July 18: Discussion of Chapters Twelve, Thirteen and Fourteen.
- Aug 01: Discussion of Chapters Fifteen, Sixteen and Conclusions.

Those involved in the discussion should purchase *Ethics for the New Millennium* prior to May 30<sup>rd</sup>. In our discussion we will get to know one another and use our study to cultivate connections in our congregation, in the community and the world. Special attention has been given to the scheduling to allow one to read the select chapters prior to the discussion. As our study deepens, we will be able to better integrate positive ethical conduct into our lives and participate in, by example, the revolution for a happier world that the Dalai Lama outlines in the chapters of his work.

This program is offered through the Adult Religious Education Program at the UUCLV. Please contact Tara M. Zrinski for information on materials and registration (610) 866-76520 x 13; dre@uucvpa.org.
